BELLE MANOR
— *Weddings & Events* —

The Belle Manor allows you to supply your own beer, wine and liquor for your event. Alcohol must be served by our TABC certified bartenders. Our goal is to make things as seamless as possible for you on your special day. Drop off your beer, wine and non-alcoholic beverages the day of your wedding at least 4 hours prior to start time. Coordinate this time with your sales manager. We will take care of icing down your beer and white wine. Alcohol must be removed after your event and in cases of weddings, cannot start being served until after the ceremony. Our team will package all of your remaining alcohol at the end of the evening.
